### ***Manager's Quarterly Stakeholder Meeting***

The Manager's Quarterly Stakeholder meeting will be held 3 p.m. - 4:30 p.m., Wednesday, September 1, 2004 at Broomfield City Hall in the Zang Spur Conference Room.

The quarterly meetings are an opportunity for stakeholders to meet informally with the Site manager to discuss the Rocky Flats cleanup and closure.

Stakeholders interested in participating should RSVP by calling 303-966-4546 or email at [karen.lutz@rf.doe.gov](mailto:karen.lutz@rf.doe.gov).

Rocky Flats is a DOE owned cleanup and closure site operated by Kaiser-Hill Company under an accelerated closure contract. The Rocky Flats mission includes the now completed special nuclear material management and shipment, nuclear deactivation and decommissioning, waste management and shipment, environmental cleanup and site closure. When cleanup is complete, the site will be transitioned to a National Wildlife Refuge managed by the US Fish & Wildlife Service.
